

## **Guidance Notes**

In order to become a member of The Machrihanish Golf Club, you should complete the following Application Form and return it to the Golf Club at the address given.

### **Completing the Form**

The form requires you to get two proposers who have to be members of our golf club before returning the form.

If this is not possible because you do not know any of our members, then you should obtain a letter of introduction from your current golf club on letter headed paper and send this together with a personal reference and the completed form.

If you are not a member of another golf club, then you should include 2 personal references.

### **The Process**

All applications are considered initially by the club's committee at the next committee meeting. If the committee considers your application to be in order, they will authorise your application to be displayed on the club house notice board.

Subject to no objections being raised by the existing members, your application will be approved at the following committee. (NB1)

You will then be contacted by the club secretary confirming the decision and notifying you of the fee due.

On payment of the fee you will become a club member.

NB1: Objections are very rare and should not be of concern to you.

We look forward to welcoming you as a new member.
