

## The Machrihanish Golf Club

### Covid-19 Update

The golf course at Machrihanish Golf Club remains open to play for both members and visitors. We would ask visitors, if possible to either book and pay for their green fees using our online facility at [www.machgolf.com](http://www.machgolf.com) or to call the Pro shop in advance on 01586 810 277 and pay their green fees via card payment. On arrival you should then check in at the Pro shop and then proceed to the first tee.

When playing the course please **DO NOT** remove the flagpoles from the hole and **DO NOT** rake the bunkers at any stage during your round of golf to ensure no contact points on the course.

Shower facilities in the ladies and gents changing rooms will not be in operation and these rooms should only be used for competition sign-in and comfort use. Please limit your time in the locker room and follow government guidelines on social distancing and hygiene.

Sanitisation points will be in place throughout the facility once we have received a delivery of hand gel and we ask all members and visitors to make full use of these in the limited public areas still in use. Hand washing facilities are currently available in the ladies and gents' toilets.

In these challenging times golf is a healthy outdoor activity which can still be enjoyed safely by following these simple guidelines.

We will be taking advice from Scottish Golf and the UK government and we will update you accordingly.

Thank you for your understanding and continued support during these unprecedented times.

- The Committee, Machrihanish Golf Club
