

Golf Buggy Use in General Play and Competitions Policy

Ride on buggies may be used during closed and open competitions by those who have a disability within the meaning of section 6 of the Equality Act 2010 which prevents them from playing golf without the use of a ride on buggy or have received permission to use a buggy from the Club due to having an incapacity that would prevent them from playing golf without the use of a ride on buggy. A medical certificate must be provided to the Club before play.

No other player may share a vehicle, nor may their equipment be carried, unless that person is also an authorised buggy user or has a temporary incapacity and it has been agreed with the Club that he/she can share.
